### DONATIONS TO THE SOCIETY WILL ASSIST BUTTERFLY CONSERVATION

Donations to LepSoc Africa are needed more than ever, since we have now committed ourselves to several conservation programmes and projects:

COREL – Custodians of Rare and Endangered Lepidoptera  
SALCA – South African Lepidoptera Conservation Assessment.  
BioGaps – Biodiversity Gaps in the Karoo  
BED – Butterfly Evolutionary Diversity project

These programmes are being funded through the Brenton Blue Trust (BBT), a registered Public Benefit Organisation, of which LepSoc Africa was a founder member. We have applied to SARS for donations made through the BBT (website [www.brentonbluetrust.co.za](http://www.brentonbluetrust.co.za)) for butterfly conservation to be eligible for issuing of section 18A tax certificates.

Donors are therefore encouraged to make their donations by accessing our website page [www.lepsocafrika.org.za](http://www.lepsocafrika.org.za) and clicking on the “donate” button, or by making an electronic funds transfer to LepSoc Africa’s or the BBT’s bank account, which are given below:
