EDITORIAL	Edge, D.A. i
CHAIRMAN'S COMMENTS	Dobson, J.C.H. ii–iii
HONORARY LIFE AND SPONSOR MEMBERS	Edge, D.A. iv
ARTICLES	
New information on the genus <i>Luffia</i> Tutt, 1899 (Lepidoptera: Psychidae) from the Canary Islands with description of a new species <i>Luffia kirsteni</i> n. sp. from Fuerteventura.	Larsen, K. 1–3
Further data on the butterfly fauna (Lepidoptera: Papilionoidea) of Mpanga Forest, Uganda, and the role of this forest in biodiversity conservation.	Sáfíán, Sz. & Pyrcz, T.W. 7–14
Notes on the life history of <i>Epitoxis namaqua</i> de Freina & Mey, 2011 (Lepidoptera: Erebidae: Arctiinae: Syntomini).	de Freina, J.J., Mecenero, S. & Morton, A.S. 15–19
Peculiar behaviour of a female <i>Alaena margaritacea</i> (Eltringham, 1929) (Lepidoptera: Lycaenidae: Poritiinae)	Terblanche, J. E. 23–27
<i>Elachista trifasciata</i> (Wollaston, 1879) on St Helena Island (Lepidoptera: Elachistidae: Elachistinae)	Fowler, L. & Karisch, T. 28–32
Three new <i>Opogona</i> species with wing reduction from St Helena Island, South Atlantic Ocean (Lepidoptera: Tineidae: Hieroxestinae).	Karisch, T., Fowler, L., Stevens, N. & Dutton, A-J. 33–39
A new species of <i>Nephoterix</i> Hübner, 1825 from the Canary Islands, Spain (Lepidoptera: Pyralidae: Phycitinae).	Larsen, K. 40–44
A new subspecies of <i>Telchinia</i> Hübner, [1819] (Lepidoptera: Nymphalidae: Heliconiinae) from West Africa.	Sáfíán, Sz., Pyrcz, T.W., Boireau, P. & Belcastro, C. 45–48
Observations on parasitoid interaction with <i>Zerenopsis lepida</i> (Walker, 1854) (Lepidoptera: Geometridae: Ennominae: Diptychini) at Entumeni Nature Reserve, KwaZulu-Natal, South Africa.	Armstrong, A.J., Louw, S.L., Staude, H.S., Terblanche, R.F., Edge, D.A. & van Noort, S. 49–52
A new locality for three threatened butterfly species in the Bewaarkloof Reserve of the Limpopo Province, South Africa.	Terblanche, J.E. 53–55
New taxa of skipper butterflies (Lepidoptera: Hesperidae) from tropical Africa.	Sáfíán, Sz., Belcastro, C., Boireau, P. & Collins, S.C. 56–71
Illustrated descriptions of juvenile stages of an <i>Aloeides</i> species close to <i>margaretae</i> Tite & Dickson, incl. comparisons with both <i>A. apicalis</i> Tite & Dickson and <i>A. depicta</i> Tite & Dickson.	Heath, A. & Claassens, A. 72–78
Revision of the genus <i>Neptis</i> Fabricius, 1807 (Lepidoptera: Nymphalidae) in the Afrotropical Region, Part 2: Two new species in the Agatha group.	Richardson, I.D. 84–93
Development and early stages of <i>Mylothris chloris chloris</i> (Fabricius, 1775) (Lepidoptera: Pieridae).	Sáfíán, Sz. 94–98
Development and early stages of <i>Mylothris rhodope</i> (Fabricius, 1775) (Lepidoptera: Pieridae).	Sáfíán, Sz. 99–103
Butterfly diversity (Lepidoptera: Papilionoidea) in the Zيامa Massif in Guinea and the adjacent Wonegizi and Wologizi Mountains in Liberia (West Africa): A transboundary conservation approach.	Sáfíán, Sz., Koivogui, S. Simonics, G. & Florczyk, K.J. 104–128
Taxonomic notes on some Liptenini (Lepidoptera: Lycaenidae: Poritiinae).	Libert, M. 129–131
Revision of the genus <i>Neptis</i> Fabricius, 1807 (Lepidoptera: Nymphalidae) in the Afrotropical Region, Part 3: A new species from Mt Mabu, Moçambique.	Richardson, I.D. 132–138
The status and distribution of Pennington's Protea butterfly <i>Capys penningtoni</i> (Lepidoptera: Lycaenidae: Theclinae).	Armstrong, A.J. 139–147
The status of <i>Protea caffra</i> subsp. <i>caffra</i> and <i>Harmonia axyridis</i> in the habitat of the Critically Endangered Pennington's Protea butterfly <i>Capys penningtoni</i> .	Kheswa, N., Mbatha, S., Armstrong, A.J. & Louw, S.L. 148–154
Publications on Afrotropical Papilionoidea during 2020.	Williams, M.C. 155–156
NOTES	
Unique genitalic structure in a West African lycaenid butterfly, <i>Liptena seyboui</i> Warren-Gash & Larsen, 2003 (Lepidoptera: Lycaenidae: Poritiinae: Liptenini).	Sáfíán, Sz. & Lorenc-Brudecka, J. 4–6
The establishment in Harare, Zimbabwe, of <i>Spalgis lemolea</i> Druce, 1890, and notes on its life history.	Francis, J. & Gardiner, A.J. 20–22
First records of African clearwing moths (Lepidoptera: Sesiidae) nectaring on the invasive Shrubby False Buttonweed <i>Spermacoce verticillata</i> L. (Rubiaceae) in Guinea and Liberia, West Africa.	Sáfíán, Sz. 79–80
Taxonomic note on three species in the tribe Acraeini Boisduval, 1833 (Lepidoptera: Nymphalidae: Heliconiinae).	Williams, M.C. & Henning, G.A. 81
Taxonomic notes on members of the subtribe Polyommantina (Lepidoptera: Lycaenidae: Polyommatinae) occurring in the Afrotropical region.	Williams, M.C. 82–83
